- **DAV International school**
Commerce with maths
Completed in 2021
Scored 92.0%
- **khalsa College**
Bachelore of computer application

Hobbies

- landscape & Astrophotography
- Gaming
- NCC
- skating & swimming

About Me

Proficient in web development (HTML, CSS, JavaScript, Python, Django) and design (Figma, AdobeXD), I bring strong technical skills. Complemented by soft skills like observation, decision-making, and communication, I'm a well-rounded team player. My passions for photography, gaming, and NCC participation, along with physical activities like skating and swimming, add depth to my versatility.

Experience

Full Stack Web developer (**Edu Fabrica** in association with **IIT Roorkee**)
https://drive.google.com/file/d/1Ns8Mqyb8ue3yGQhn01_e7m1coRlkpLwV/view

Projects
